Faculty Training Programs

**BSc PROGRAMS**

**German language program**
- Mechanical Engineering, Specialisation in Vehicle Production

**Hungarian language programs**
- Architectural Engineering
- Civil Engineering
- Information Technology in Economics
- Mechanical Engineering
- Vehicle Engineering
- Environmental Engineering
- Transportation Engineering
- Mechatronics Engineering
- Information Technology in Engineering

Engineering Management
Vocational Teacher Training
Electrical Engineering

**FIVE YEARS TRAINING PROGRAM**

Architecture

**POSTGRADUATE COURSES (M.Phil.)**
- Manager for Logistics and Transportation
- Railway-Vehicle Systems Expert
- Commercial Vehicles Operator

**MSc PROGRAMS**

**German language program**
- Vehicle Engineering, Specialisation in Internal Combustion Engines

**Hungarian language programs**
- Information Technology in Economics
- Infrastructural Civil Engineering
- Vehicle Engineering
- Transport Engineering
- Logistics Engineering
- Mechatronics Engineering
- Information Technology in Engineering
- Structure Designer Architecture
- Technical Teacher Training (Mechanical Eng., Transportation Eng., Information Technology)
- Municipal Engineering
- Electrical Engineering

**DOCTORAL TRAINING PROGRAM (PhD)**

**POST SECONDARY COURSES**
- Mechanical Engineering
- Mechatronics Engineering
- Electrical Engineering
